

Michigan Municipal Treasurers Association

January 2026

Dear MMTA Members, I hope you're staying warm this winter! I wanted to share the following updates with you:

Winter Workshop Success

We are pleased to report that the MMTA Winter Workshop was a great success with 192 attendees. Thank you to everyone who attended, presented, and supported the event - it was great seeing you there. The strong participation and meaningful discussions made it a valuable learning experience for our members and associates.

Upcoming Events

MMTA has several educational and networking opportunities coming up, including Basic and Advanced Institutes, Treasurer-to-Treasurer forums, and our annual conference, which is a joint endeavor with APT US&C in Grand Rapids. These events provide important training, peer collaboration, and timely information relevant to municipal treasurers across Michigan. Please visit the MMTA website (or click the links on the right) for the full calendar, event details, and registration information.

Managing Director Update

On behalf of the Board, I would like to recognize Shelley Buresh, who will be moving on from her role as one of MMTA's Association Managers. Shelley's leadership, dedication, and commitment have had a lasting impact on the Association and its members. We are sincerely grateful for her service and wish her continued success as she continues her Executive Director role with APT US&C. As we continue to strengthen the Association, grow membership, and provide amazing training and networking opportunities, we look forward to our partnership with Janel Stewart and Dovetail Solutions to continue providing the excellent management services we've all gotten used to. We appreciate all that Dovetail Solutions has meant to the Association and are excited by the prospect of continuing this long-term relationship for many years to come.

On behalf of the MMTA Board, I'd like to thank all of you for your continued involvement and support of our Association. We look forward to connecting with you at upcoming events.

Warm regards,

Julie Pray, City of Davison

MMTA Board President
