

Michigan Municipal Treasurers Association

October 2025

Dear MMTA Members,

I am deeply honored to serve as your MMTA Board President for the 2025-2026 term. I currently serve as the Treasurer for the City of Davison and have been a member of MMTA since 2013. I am so excited to work alongside our board and each of you to strengthen our association and continue our shared journey of professional growth.

First, I want to extend my heartfelt thanks to our past president, Laurie Sheldon. Thanks to her dynamic leadership, we have maintained our 1,000 plus membership and were able to roll out a fantastic new Resource Manual for our members.

At the Fall Conference, I spoke about how MMTA is like family to me. When I first became a treasurer, this was where I turned for support, training and networking. My vision for MMTA this year includes growing and nurturing our family of treasury professionals.
