

Adapting for EXCELLENCE

2021 MMTA Advanced Institute

Online Sessions • Thursday, April 8 • Tuesday, May 18 • Wednesday, June 2

The 2021 Advanced Institute will be held as three full day virtual training events. We had hoped to meet in person, but the world around us (and your feedback!) made us realize that one more year online is the best course of action.

The MMTA Professional Development Committee has organized an incredible line-up of speakers. For \$295, you'll receive three days of 12 online training sessions. Recordings will be made available after the live sessions in case you have a scheduling conflict. The twelve sessions combine for 8.75 MiCPT or CPFA points and 13 ACPFA points. If you're unable to sign up for the entire Institute, the six asterisked* sessions (on right) are available individually for \$49 each.

"As always, valuable information was shared that helps us be better treasurers - thank you!"

"Thanks for the great classes this year - I LOVED THEM ALL!"
