After close monitoring of the coronavirus (COVID-19) health crisis, including the government’s extended stay-at-home order, we have decided to make the following changes. Our goal is to ensure the safety and health of all those involved with MMTA’s upcoming conferences, as well as the general public. MMTA has:

- Rescheduled Basic Institute to December 13-18.
- Rescheduled Advanced Institute to December 7-9.
- Cancelled MMTA in the UP.
- Fall Conference remains September 20-23; registration will open soon.
- Extended MiCPT renewals to February 1. MiCPT renewal applications will be processed in June and February for your convenience.

If you are involved with these conferences as a registered participant or presenter, we have sent you a personal email with more specific information. If you have any questions, please visit www.MMTA-MI.org or contact our Association Managers at info@MMTA-MI.org.

We continue to investigate on-line learning opportunities and will keep you up-to-date if such training becomes available. And remember that the MMTA Listserv is a great way to connect with other treasury professionals. The Listserv is a benefit of membership, let us know if you would like to be added.

MMTA remains committed to providing the high quality education and training you have come to expect in a safe and comfortable environment. Your health remains our top priority - thank you for your patience and understanding. Stay healthy and safe!
